

**IN THE UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF MONTANA
GREAT FALLS DIVISION**

UNITED STATES OF AMERICA,

Plaintiff,

vs.

LESLIE REDHEAD,

Defendant.

CR 10-81-GF-BMM

ORDER

This case was referred to United States Magistrate Judge John Johnston for a revocation hearing and findings and recommendations. Judge Johnston entered his findings and recommendations on March 24, 2017. Defendant admitted that she had violated conditions of her supervised release by using cocaine, and by failing to report for substance abuse treatment. Judge Johnston found the admissions sufficient to establish the supervised release violations. He recommended that this Court revoke Defendant's supervised release and commit her to the custody of the United States Bureau of Prisons for a term of imprisonment of three months, with ten months of supervised release to follow.

No objections were filed by either party. Judge Johnston's findings and recommendations are therefore reviewed for clear error. *McDonnell Douglas Corp. Commodore Bus. Mach, Inc.*, 656 F.2d 1309, 1319 (9th Cir.

1981).

This Court agrees with Judge Johnston's findings. Defendant admitted that she had violated the conditions of her supervised release. Defendant could be incarcerated for up to 24 months, followed by 36 months of supervised release less any custody time imposed. The United States Sentencing Guidelines call for a term of imprisonment of three to nine months. A sentence of three months in custody, followed by ten months of supervised release is appropriate. The sentence is sufficient but not greater than necessary.

IT IS ORDERED that Judge Johnston's Findings and Recommendations (Doc. 48) are ADOPTED in full and Judgment shall be entered accordingly.

DATED this 11th day of April, 2017.

Brian Morris
United States District Court Judge
